

Cairo Lodge Number 32
A.F. & A.M., G.R.A.
Claresholm, Alberta

Cairo Lodge Bursary Fund

General Information

Cairo Lodge is the Claresholm chapter of the Ancient Free and Accepted Masons, instated on June 24, 1908. This is a male only club, set up as a fraternal lodge. One of the fundamentals of free masonry is to promote education. The Masons meet once a month and all monies raised come from member donations, as we do not fundraise from the community at large. The Cairo Lodge supports the Alberta Masonic Higher Education Fund (available to all Alberta students), but also wanted to institute a local fund in 2005 for the unsung hero of Willow Creek Composite High School who shows dedication, citizenship and participation in school and community.
